SPANI-H FEELING

How the Spandiards Feel '10wards "Tio Sam."

An article describing Spanish feeling toward the United States to contributed to the Santa Barbara Press by Rev. Dr. Joseph Nunan, just from extended theological studies in Spain He found there a complete lack of definite knowledge concerning this country, and his stories of American progress were politely doubted.

At the outbreak of the Cuban rebellion Spanish people thought the 'uprising of the negroes" of little moment. After several months a feeling of unessiness as to the result of the war began to be expressed. This was further aggravated by the apparent friendly attitude of the United States towards Cubs and not at all friendly The eil well discovery at St. David has created quite a little excitement. utterances of the American press to-A high S. P. official who was at Tue- wards Spain. This engendered a bitson when the report was first made ter feeling towards "Tio Sam."
